ICMM is currently updating its membership records.

We apologise for any errors in the list below. To enable us to correct errors as quickly as possible, members are requested to check their details (including the name of the contact person) and click here to advise the Secretary General of any changes required. An update to the website will be made without delay and the central records will also be amended.

Thank you for your co-operation. Alan Edenborough - Secretary General

The membership listing below is intended to provide access to the websites of full ICMM museum members and email addresses of the ICMM contact where known. (To avoid email harvesting, email addresses have been amended by substituting [at] for @).
